

City Year's Spring Into Service

Each year, City Year Greater Boston hosts a Spring Into Service Event to bring together community members to complete projects to support our students and teachers in finishing the year strong.

Our Service: Opportunity for All Students

City Year is a trailblazing, youth-powered organization with a dual mission: expanding opportunity for students and developing young leaders through national service. [Research](#) shows the more time a student spends with a City Year AmeriCorps member serving as a student success coach, the better the student outcomes.

Our 100+ City Year AmeriCorps members serve full-time in 18 Boston, Everett, and Medford public schools to help local students catch up, then keep up, on the journey towards a diploma. We provide more than 10,000 students with the differentiated tutoring and mentorship needed to persist through high school, college, and career.

Our Spring Into Service Event celebrates our AmeriCorps members' work in the classroom and provides our students and teachers with further resources by creating resource kits and other materials for them to finish the year strong. There will be opportunities to connect with colleagues and learn more about City Year's mission. Last year's event produced over a 1,000 supply kits and we are aiming to set a new record in 2025.

Invest with Impact: Spring Into Service Event

Blending direct community impact with robust employee engagement options, City Year's Spring Into Service Event is a unique sponsorship opportunity for Greater Boston companies and individuals.

Community Impact: Directly support over 2,000 Boston area students and teachers by volunteering to create student and teacher resource kits.

Brand Visibility: Enhance your company's visibility and brand among a dynamic group of more than 300 individuals.

Networking & Employee Engagement: Connect with attendees who represent over 20 area businesses and community organizations.
