Highlights from the Wells Fargo Team serving at Judson B. Walker Middle School

JOYS

- Joendie Bonilla has accepted a position as Team Leader to return to City Year Orlando for FY22!
- Our team celebrated the newest member of our Viking family (coming August 2021) by throwing a fantastic Baby Shower for the expecting mama, our very own Rose Cherisme
- We were invited to participate in a faculty kickball game here at Walker, and Jerel Ricketts and Diamond Cosby’s team reigned victorious!

STARFISH STORY – A STORY OF STUDENT IMPACT

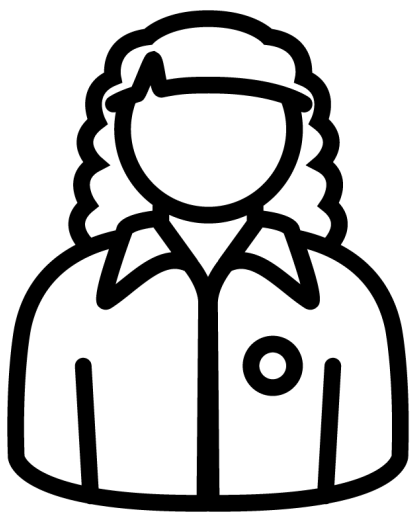

BY JOENDIE BONILLA

My starfish student, Malina*, used to speak back to my partner teacher all the time and had a challenging time caring about school or authority figures. As the year went on, she’s talked to me about how she understands that everything doesn’t need a response and has really learned when to pick her battles. She also actively participates in our small tutoring groups even when she gets the wrong answers. Working with her has been a real

treasure, and I’m grateful for all Malina has taught me. ***=Student Pseudonym**

AMERICORPS MEMBER SPOTLIGHT

Rose Cherisme proudly serves at Judson B. Walker Middle School. She is from Boston, MA and joined City Year because she wanted to recenter her life and get a clear vision for what she wants to do in the future. The highlight of her year has been working with her partner teachers and getting to know her team. Her team most appreciates Rose’s wonderful interactions with her students. She is always willing to

lend a helping hand to everyone she meets with a positive attitude. Rose is always ready for service with a smile on her face paired with her bubbly personality. After City Year, Rose will become a phlebotomist and continue working to make better happen.
