# A day of learning WITH CITY YEAR

## Join us for a Day of Learning and Connection

City Year’s Beloved Community Summit is an opportunity to center on Dr. Martin Luther King Jr.’s message of fostering community built on shared understanding, reconciliation, and service to one another. This virtual half-day summit, hosted on Friday, January 14, 2022, will provide engaging conversations led by community experts on the topics of social justice and racial equity.

We hope you will join us for an event that will provide learning, foster new connections, and inspire collective action towards promoting racial equity in our shared community.
