

SPONSOR OPPORTUNITIES **IDEALIST GALA**

WEDNESDAY, APRIL 17, 2024 | 5:30 PM

HONOR AN IDEALIST

As a sponsor at the Silver Level or higher, you or your company can have an employee, colleague, or friend who positively impacts the lives of others, as well as values racial and social justice, honored as an Idealist of the Year. Honorees are recognized publicly at City Year's gala, receive a plaque to celebrate their contributions, and following the event will be featured in a print issue of IN Kansas City Magazine. Honorees and sponsors are also recognized via social media, City Year KC website, and included in event collateral.

Some Idealists are leaders who foster a culture of service and volunteerism in their company, some are co-workers who inspire their peers to give their time to help the community, or they could be quiet volunteers who put in long hours outside of work to impact the lives of people in need. Too often, these people are not recognized for their powerful acts of idealism. City Year wants to change that! Fill out the submission form on the next page and return the form and all attachments by March 25th.
