

**CITY YEAR COLUMBUS  
IMPACT REPORT  
2022-2023**

Dear Friends,

On behalf of the City Year Columbus team, I would like to express our deepest appreciation for your commitment to the young people in our community. We are truly grateful for your belief in the potential of students and AmeriCorps members.

As an alumnus who served in the early years of City Year, I take pride in sharing that every AmeriCorps member recruited, every hour devoted to service, and every dollar donated has had a profound impact on thousands of students. Through our high-quality academic and social-emotional services, we have witnessed incredible transformations. These services include AmeriCorps members forming strong relationships with students, helping build academic skills in math and literacy, partnering with teachers, engaging with the community, and much more.

Your partnership ensures that students stay on the path to graduation, opening doors to college and career success. This impact report not only showcases the achievements we have accomplished together but also pays tribute to the individuals who contribute to our work.

As we embark on a new academic year and celebrate the arrival of another dynamic group of young leaders, we are thrilled to commemorate our 30th year of impact. We look to build upon this legacy and eagerly anticipate the remarkable work that lies ahead.

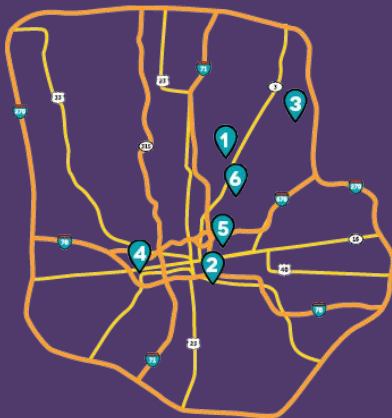

We extend our heartfelt gratitude to you, our champions—both past and present—for your generosity and steadfast support of our mission.

Yours in service,

Adero Robinson  
Vice President & Executive Director

Synettra Coleman  
Board Chair

## WHAT IS CITY YEAR?

City Year's mission is to ensure that every student has access to the resources and support they need to reach their full potential and be successful in school.

"City Year encourages everyone to do the right thing and helps in every subject. When I raise my hand in class, I know they're going to help me. City Year is like a second teacher—they're in the classroom all day with us."

and City Year alumna

## WHAT DOES CITY YEAR MEAN TO YOU?

"It's amazing to [see that] these are members of my community that I get to be a positive impact towards every single day, and I never thought I would get such an opportunity in my hometown."
