THE WESTIN COPLEY PLACE, 10 HUNTINGTON AVE., BOSTON, MA 02116

The annual Investment Community Breakfast is a well-established networking and fundraising event that brings together 250 philanthropic members of Boston's financial community to advance educational opportunities for Greater Boston students.

City Year is an education-focused national nonprofit organization founded in 1988 that partners with public schools to help students and schools succeed. Teams of City Year AmeriCorps members ages 17-24 serve full-time as tutors, mentors, and role models in 29 cities across the country, helping students build academic and social skills that are critical for success in school and life. City Year Greater Boston (CYGB) is proud to be the first City Year site, providing critical services in Greater Boston Schools.
